## Padi Divemaster

From the first time I placed a BCU on my back and took breaths underwater I was hooked.

I have been lucky to have dived all over the world and made memories for life, since then I have managed to work my way up the ranks of Padi and obtain my Divemaster Qualification.

Robin Hood Watersports are responsible for teaching and making me a far better diver, the instructors and all staff are kind, thoughtful and all inevitably become your friends.

Between my work life and other private hobbies scuba diving with ROHO is time so well spent.

So if I am not flying or working, I will be getting underwater somewhere. Robin Hood Watersports are responsible for teaching and making me a far better diver, the instructors and all staff are kind, thoughtful and inevitably become friends.

So if I am not flying or working or watching a band , I will be getting underwater somewhere.

Come and join us and you will not regret it !!
